HISTORY OF THE CLUB

Lancaster City Football Club was formed in 1902 and were founder members of the Northern Premier League now the H.F.S. Loans League. The Club left the then Northern Premier League in 1983 and joined the North West Counties Football League. At the same time the Club was re-named City of Lancaster A.F.C.

In 1987 when a second division of the Northern Premier League was formed, the club re-joined that League. The club operates eight teams starting at U12 level. A progressive youth policy has seen several players graduate to Football League Clubs, and the Clubs first team.

Ambitious plans are in hand to re-open the Social Club adjoining the ground, and when negotiations for a new lease on the Giant Axe are completed, extensive renovations and improvements are to be carried out at the ground. The Club's long term aim is of course Football League, and the considerable area of the Giant Axe gives scope to develop a first class stadium.

A BRIEF HISTORY OF BOLTON WANDERERS

One of the 12 Founder Members of the Football League, the Wanderers were originally known as Christ Church when they were formed in 1874. In 1877 the present name was adopted - a name which was to become one of the best known in English Football.

The Wanderers moved to their current home at Burnden Park in 1895 after spells at Park Recreation Ground, Cockles Field and Pikes Lane.

Bolton was the first winner of the F.A Cup Final following its move to Wembley Stadium in 1923. An estimated 200,000 packed the Empire Stadium to overflowing with a further 500,000 locked outside. The Wanderers dominated the competition in the twenties, going on to lift the cup in 1926 and 1929, but they had to wait until 1958 for their next major honour. Then the legendary Nat Lofthouse led the team to further F.A Cup glory when they beat the Munich Ravaged Manchester United side by 2-0.

In the league, Bolton enjoyed an unbroken First Division spell from 1911-1933 and again from 1935-1964. In 1970/71 the club dropped into the third division for the first time in their history. Two years later they were promoted as champions.

First Division status was regained at the end of the 1977/78 season being promoted as champions after twice finishing in fourth place in the second Division. Relegation followed in 1980 and Bolton found themselves back in the Third Division in 1983. In 1987 they were relegated to Division Four for the first time but twelve months later won promotion.

MANAGERS PAGE

Good evening and welcome to our visitors Bolton Wanderers for the opening game of the 1990/91 season. This friendly will certainly be a good test for us as Phil Neil has assembled a very good side together and one which must surely be looking for promotion this time around as they have come very close over the past two seasons.

This occasion is a unique one as both teams are being sponsored by Reebok this is a major boast to both clubs and may I take this opportunity in thanking our sponsors for their magnificent contribution towards our club, I hope we can do them proud in being successful both on and off the field.

So far pre-season training has gone very well the lads have worked tremendously hard at the University with John Smith, Geoff Udall and myself working them towards a fitness level that will stand us in good shape for the start of the season, which begins on August the 18th with an away game at Bridlington who are newcomers to our league having been promoted from the North East Counties.

Four players which will be missing from tonight's game will be Cecil Edey who has fluid on his ankle but will be okay for the 18th Martin Horsfield who is spending the week at Hilleshal for an assessment on the injury which kept him out of the action almost all of last season, although may I add he has come through the training sessions so far without any ill effect and he scored in the game on Sunday against Thame United from Oxford at the University which we won 2-0, also missing due to holidays will be Vaughn Williams and Peter McRae.

May I welcome to the club our new signer Gus Wilson from Accrington and Tony Cormecria from Buxton, we also have on trial still from Witton and Steven Rowe from Morecambe. Good luck to all of them.

CITY v BOLTON WANDERERS

FRIENDLY

31.7.1990/1

Good evening and a warm welcome to the Giant Axe. Tonight we play host to Bolton Wanderers in a pre-season friendly. It is always nice to see clubs such as Bolton visit their smaller Lancashire brothers, we hope they enjoy their visit.

Presently Wanderers are playing 3rd Division football but under the managership of former Northampton, Liverpool and England full back Phil Neal they hope it is not long before they are climbing back to Division 1.

Last season saw Bolton narrowly miss promotion. Their crowds averaged just over 7,000 but that figure could easily treble given a good run.

During the close season Bolton acquired David Burke from Crystal Palace, they paid £60,000 for his services.

The promise shown last season has got the Bolton support confident that this coming campaign will see the club climb nearer to it's goal. We wish them well.

Phil Neal(left) the man all Bolton fans hope will get the Wanderers to Division 1.

Possibly the best period in Bolton's history came in the 1920's. During this decade they finished(in Division 1) 20/1 3rd, 21/2 6th, 22/3 13th, 23/4 4th, 24/5 3rd, 25/6 8th, 26/7 4th, 27/8 7th, 28/9 14th and 29/30 15th.

They also, in a six year period, won the FAC three times. The three victories occurred in 1923, 1926 and 1929. They were to take the Cup back to Bolton on another occasion, in 1958, when they defeated Man Utd. Bolton have finished runner up on three occasions in the Cup Final.

Bolton Wanderers from 1988/9.

Some of the players in the picture are no longer with Bolton. Among these are John Thomas(now PNE) and Steve Elliot(now Rochdale).

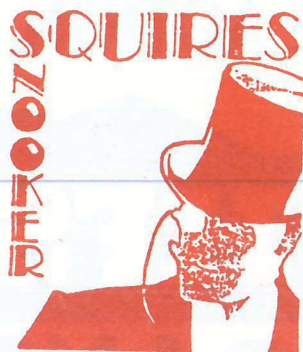

1989/90 season saw Bolton complete their second season back in Division 3, following their promotion from the fourth at the end of 1987/8.

Last season saw Bolton finish in 6th position thereby qualifying for the play-offs. They met Notts County over two legs and drew 1-1 at Burnden Park and lost 0-2 at Meadow Lane.

In the Cups Wanderers results were mixed. In the league cup(Littlewoods) Bolton reached R3 but lost at Swindon in a third replay. In the FAC hopes were beaten in R1 at Bloomfield Road, Blackpool.

FAC GOES TO BOLTON.

28.4.1923

Bolton Wanderers 2(1-0)0 WHU

1923 and the first Cup Final at Wembley. The official attendance was given as 126,047 although it is estimated that 200,000 could have been inside Wembley.

Pym, Haworth, Finney, Nuttall, Seddon, Jennings, Butler, Jack, Smith JR, Smith J, Vizard.

Bolton scorers Jack and Smith JR.

24.4.1926 Bolton Wanderers 1(0-0) Manchester City

Both sides had met in the Cup Final of 1904 and on that occasion City took the Cup with a 1-0 victory. One of the heroes from 1923, David Jack, was again on the scoresheet. Dick Pym, the Bolton goalie, was credited as the best player on the field. He produced some good saves to thwart the City attack. Attendance 91,447.

Bolton scorer Jack.

24.4.1929

Bolton Wand' 2(0)
Portsmouth 0(0)

Funny how things in football don't change. The plea after this Cup Final was for the finalists to receive more tickets. Less than 8,000 each were allocated to Bolton and Portsmouth. Attendance 92,576.

CITY v BOLTON IN THE COMBINATION.

Like most Lancashire league sides Bolton had, at one time, played or had their reserve sides in the Lancashire Combination.

Our two sides first met in this competition in season 1948/9 when our reserves met Wanderers "B". They met up until season 1951/2 when City dropped their reserve side. However in season 1952/3 Bolton Wanderers "B" won the Combination Division 2 with this record;

PL42 W32 D4 L6 F135 A43 Pts68.

Then between 1953/4 & 1954/5 the clubs met on four occasions, with results even, two wins apiece.

The first meeting in 1953/4 was here;

9.1.53/4 City 6(3-2)3 Bolton Wanderers "B" (Div 1)

Meadows, Hutton, Farnworth, Parkinson EJ, Smith, Cockcroft, Baron, Hayes, Bracewell, Downham, Cunliffe.
attendance 1,058

21.4.53/4 Bolton Wanderers "B" 5(3-0)1 City (Div 1)

Meadows, Hutton, Farnworth, Parkinson EJ, Brown, Downham, Baron, Hayes, Cooper, Moorby, Cunliffe
(played at Burnden Park)

City scorer, Moorby.

Then in 1954/5 the results were;

8.1.1954/5 City 3(1-1)2 Bolton Wanderers "B" (Div 1)

Anderson, Parker, Bamber, Parkinson EJ, Smith G, Hogg, Butler, Moss, Francis, Hacking, Cunliffe
attendance 1,100

5.5.54/5 Bolton Wanderers "B" 2(1-0)0 City (Div 1)

Anderson, Bamber, Townley, Parkinson EJ, Smith G, Butler, Smith W, Moss, Francis, Hacking, Brown

This was Bolton's last season in the Combination.

H.F.S LOANS LEAGUE NEWS

Promotion and Relegation Gateshead are likely to take an unexpected step into the G.M.V Conference next season after H.F.S champions Colyne Dynamos were refused promotion after being unable to meet ground requirements.

Gateshead finished runners-up after Saturday's 3-1 away win over South Liverpool, and will move into the Conference, subject to the completion of formalities, while Chorley are relegated to the completion of formalities, while Chorley are relegated to the H.F.S.

It is an ironoc twist in fortunes for Gateshead, who gained a Premier Division relegation reprieve last season as a result of no Conference club being relegated to the H.F.S League.

H.F.S First Division Lekk Town and runners-up Droylsden are promoted to the Premier Division at the expense of relegated Caernarfon Town and Rhyl, while relegated from the first Division are Eastwood Hanley and Penrith whose new league have yet to be decided.

Their places are likely to be taken by either Bridlington Town or North Shields, from the Northern Counties East League, and Warrington Town, whose promotion from the North West Counties League is subject to suitable ground grading, although that is expected.

SOUTH LIVERPOOL

The crisis-hit Merseyside club have been given an extension to the deadline to arrange a suitable ground-sharing scheme for next season. South, who have been forced out of their Holly Park headquarters by continued vandalism, have now until May 19 to come up with an acceptable arrangement.

YOUTH NEWS

Good evening

Although the Senior Season is now almost with us again the youngsters thankfully have a longer break and the Byrne Youth League does not start until the first Sunday in September.

However all the sides have either already started or about to start training. although obviously a lot of boys have stayed with us from last season all the managers would like to play for the club.

This season we shall be running two sides at Under 16 age group. The Senior Sides is to be managed again by Derek Moss whose side won the title last year. Derek can be contacted on Lancaster 841471. The under 16s still be run by Tom Fisher and will largely consist of last seasons all conquering under 14 team. Tom lives at 42 Rutland Avenue Telephone 67088

We have only one team in the under 14 team league and this is managed by Dave McKevitt 23 Knowe Hill Crescent, Telephone 63712

Finally although Nelson Lamb still has about nine of last years squad available he will be happy to welcome any newcomers to the first training session which will be this Thursday, August 2nd at 6.30pm on the Giant Axe and every Thursday afterwards. Nelson can be contacted on Lancaster 34171.

D Hughes

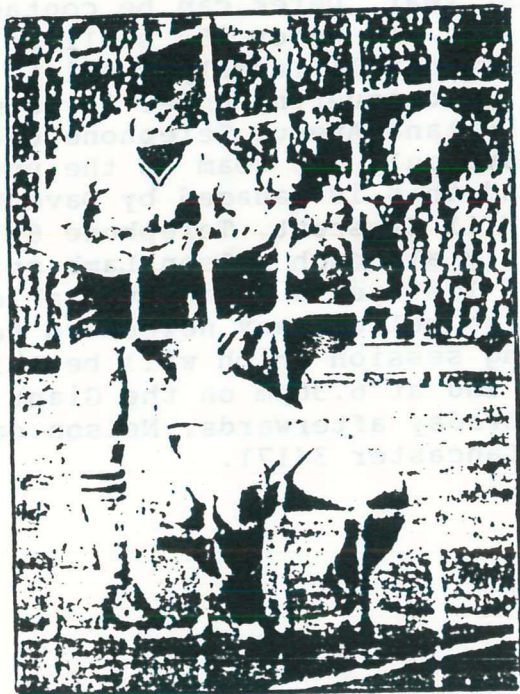

Headlined, such as the one on the right, appeared on most back pages following the Cup final of 1958. Public support, so we are led to believe, was with Manchester United in the aftermath of the Munich disaster. Although Bolton played well their win was largely ignored which was a pity. Bolton's 32 year old 'centre' Nat Lofthouse had a great match and scored two goals.

HISTORY CONTINUED

Bolton Wanderers returned to Wembley, the scene of so many triumphs, in May 1986 as finalists in the Freight Rover Trophy, losing to Bristol City. Three years later they returned again, in the newly named sherpa Van Trophy, this time tasting success in a 4-1 victory over Torquay United.
